The Scheme of Amalgamation and Arrangement between Trinetra Cement Limited (First Transferor Company) and Trishul Concrete Products Limited (Second Transferor Company) with The India Cements Limited (Transferee Company) and their respective Shareholders (Scheme)

A brief note on the Scheme

The Scheme was approved by the Board of Directors, shareholders and secured creditors of the Transferor and Transferee companies. The Scheme was also approved by the stock exchanges where the equity shares of the Transferee company and first Transferor company are listed.

Business of Transferee Company and the Transferor Companies:

The Transferee Company is mainly engaged in manufacture and sale of cement. The Transferee Company is the largest producer of Cement in South India with seven Cement Plants, three Plants in Tamil Nadu, two Plants in Andhra Pradesh and two Plants in Telangana, with a capacity of 14.05 million tonnes per annum, besides 2 cement grinding plants – one at Chennai, Tamil Nadu and other at Parli, Maharashtra.

The First Transferor Company is the step-down subsidiary of the Transferee Company and is engaged in manufacture and sale of cement. The First Transferor Company has its Cement Plant in Rajasthan with a capacity of 1.5 million tonnes per annum and it caters to the cement requirements of the markets in Rajasthan, Madhya Pradesh and Maharashtra.

The Second Transferor Company is an unlisted Company and is the step-down subsidiary of the Transferee Company. The Second Transferor Company is engaged in manufacture and sale of cement related products viz. Readymix Concrete and it has production facilities in Chennai, Bangalore and Hyderabad.

Rationale for the Scheme:

- ❖ The Transferor Companies viz. Trinetra Cement Limited (TCL) and Trishul Concrete Products Limited (TCPL) are subsidiaries of the Transferee Company and are engaged in manufacture and sale of cement and cement related products respectively. The Transferor and Transferee Companies desire to carry on business as a composite unit. The amalgamation of the companies will result in a strong and effective entity capable of carrying on the business activities more efficiently and offering better services to all the Stakeholders.

- ❖ The amalgamation will ensure greater operational synergy and expansion of the trading activities, besides saving overheads, administrative expenses, rationalization of operations and optimum utilization of financial, managerial and other resources and pave way for further growth. The amalgamation will also substantially improve assets utilization and enable the Transferee Company to fully capture the value of the acquisition of the Transferor Companies.
- ❖ The amalgamation will result in integration, greater size, scale, financial strength and flexibility which would in turn, enhance future business potential and overall stakeholder value. The synergies that exist in terms of services and resources can be put to the best advantage of all stakeholders.
- ❖ The amalgamation will result in better control over resources, increased financial strength and facilitate further resource raising for future growth and development.
